“ I knew Lonny mostly thru a young man's eyes. We grew up and he left to Florida but never did I think that would be the last time I saw him. I was able to speak to him a few weeks ago and it was the same old Lonny. I took comfort in that. We spoke about meeting up and hanging out but it never happened. Probably because I was too busy, had become too jaded and thinking that tomorrow would never come. This I take no comfort in.

So I've taking the time to do something for Lonny I think he may have enjoyed. I love you, brother.

"Our Five Horizons, My Five Stages"

*I gather my thoughts,
Remember my friend
Looking to memorialize,
With paper and pen.
My hand starts to shake,
As the sum of my emotions come flooding in.
Spin me 'round...Where to begin.
Stab it down...My heart will not accept it's come to an end.*

*The news came like a fist to the jaw,
Gasping for air, my knees fell to the floor.
With lips shaking, clenched hand and a blast to the wall,
And the indignant realization, my id is no more.*

*If I had a wishlist...Could repeat all those yesterday's,
Would I be able to change this moment, chase the pain away.
And yet, I can not stop the thought,
Of running in the dark
Searching for something I missed...Something I did not give,
Some die just to live.*

*So I'll dry my tears,
Remember the good times.*

*Take comfort in knowing your pain, your fears,
You will no longer have to abide.
I'll ride the wave, where it takes me,
And look to see you again on the other-side.*

that was great the way you integrated all the pearl jam songs into this one. I took a lot of thought so it shows the love for p.j but mostly lonny. I'm still in shock and cry for him.

“ *Inspired by Lonnie*

I believe...

The first step we take as a child is the 1st step on our walking path of life.

We all have our own walking path.

Our paths join and we walk on the path of life together for awhile.

And then, our paths divide and we keep walking, eventually to the end of the path.

The end is where our paths meet again.

My walking path met Lonnie's. We walked together on Life's path for awhile.

It was genuine and pure. We had happy walks and sad walks.

Holding hands, sharing paths.

I believe....

Lonnie, I will see you again at the end of My path.

Until then, I keep walking.

Love, Tammy
