

Lewis Walter Mandley

October 5, 1933 - April 9, 2021

Lewis Walter Mandley, formerly of Charles County, MD, passed away in his home in Lakeland, FL on April 9, 2021. Lewis was surrounded by his loved ones at the time of his passing.

Lewis was born on October 5th, 1933 to Edward and Catherine Mandley in Southern Maryland, where he also grew up. He served in the U.S. Army during the Korean War, where he was a heavy equipment operator. When he returned from Korea, he started a small excavating company that went on to serve Southern Maryland for over 50 years. Heavy equipment was his passion and he would usually be the first one on the job site and the last one to leave, continuing to do the work he loved well into his 70's.

He married Phyllis, the love of his life, in 1957 and the two enjoyed 63 years together. Lewis and Phyllis spent most of their time traveling and discovering new places together as often as they could.

Lewis could strike up a conversation with anyone and loved seeking out new adventures. Boating was his other passion and he could be found out on the water just about every weekend when the weather was warm. He loved crabbing, fishing, and tinkering on his boat.

Above all else, Lewis enjoyed spending time with his family. Lewis will be

missed greatly by his family and friends, and through them, his legacy will continue.

Due to the COVID-19 Pandemic situation, funeral service and interment will be private. The family extends their regrets that they will be without your friendship and physical comfort. Your thoughts and prayers are appreciated at this time.

Condolences and memories may be expressed on Lewis' Tribute Wall.

BR

We spent many weekends together. You couldn't ask for a better couple. We and our kids loved them both like family. Bob was always the chauffeur and when we retired we were going to travel the world. Rest in piece. Love Bob and Pauline. 🙏🙏🙏
