“ *My Dearest Lila White {or as I affectionately called you...Lila Jean} I am so heartbroken to have lost you. You were the one and only "girley friend" I've ever had in life. You were the kindest person on earth and asked so little of others. All that got to know you, love you. You were an incredible woman and I'm so proud to have watched you grow into the confident, independent woman you became. I Love You Lila Jean*
