“ *Dear Grooms Family,*

*We will never forget all the love your dear "Grammy Grooms" shared with every one of us. She knew how to brighten your day and make you laugh. She shared the warmest smile and the kindest heart. We know this must be a difficult time for you all and we want you to know you are in our thoughts and prayers. We will never forget the fun we had in Maine with your special Grammy and we will always remember how she couldn't eat near Vader the dog! She was one-of-a-kind with a very special heart. Much love and hugs to you all. May her love surround you today and always.*

“ To George, Karen, and your entire Family,  
As someone who lost his mother in 2011, his father in 2015, and his younger brother in 2017, I am well aware of the heartache and sadness brought about by the death of loved ones we have known throughout our lives. It often seems surreal and occasionally makes me teary eyed to comprehend and process having lost someone so dear and close, especially a younger brother. So I believe it is what you may be experiencing with the loss of your mother. The best we can do is to keep them alive in our memory and remembrances, and become more so, and stay so much closer to the loved ones who remain in our presence and in our hearts.  
My sincere condolences, Steve DiGiulio
