“ I remember meeting Aunt Linda in 1982 and I remember thinking to myself, gosh she is really beautiful, she had long dark hair and big beautiful smile. Although, we did not see a lot of each other, every time I saw her she would give me a great big hug and was just so sweet. I am so glad I was able to see you at the family picnic and I still thought you were just beautiful!!!

“My thoughts go out to all of Linda's family especially Jimmy, her children and grandchildren. Linda Martin Cecil was a force of nature. She was always leading the pack, cutting edge, making the fashion statements throughout high school. Always quick with a laugh and dare. In life, there are leaders and followers. Linda was always a leader. She will be kindly remembered as we celebrate her life.”

“ *Dearest Linda, I first met you in the late 60's just about 13yrs old, and wanted to be grown up and look beautiful like you. I spent the longest time in the bathroom trying to get that darn eye liner on the way you did, but never succeeded. I love you and your family. Bless you, Linnie*

“ I met Linda at Our Place Waldorf soup kitchen several years ago during it's inception. The first time I met her she gave me a hug and cracked a joke. What an amazing woman so full of kindness and love. Always joking and laughing. She loved to help me in the kitchen. My number one taste tester!

She always talked about her loving family especially her cherished grandkids.

Linda will be forever missed. So sad to see such a beautiful spirit go. My prayers are with the family.

*We love you Linda.

“ Linda and I have been friends since junior high school, we gag-laughed about EVERYTHING our entire lives, many times inappropriately. We stole beer off the beer truck as teenagers and much later I was honored when she named her Bassett Hound after me. The day she married Jimmy we were all working our very first jobs downtown DC, we met at the justice of the peace downtown on our lunch hour, they got married, we rushed to my parents house in Birchwood City for ham sandwiches provided by my mom, then immediately went back to work. It was Linda, Jimmy, myself and Frances Gladu. An amazing life long love story for the Cecils.

I love you Linda, Lucia (Nigra) Ruta

“ *My heartfelt sympathy and prayers to Linda's family. Linda was a classmate of mine in OHHS and we both lived in Birchwood City - we did not stay in touch and the last time I saw Linda was at our 30th class reunion - still as pretty as she was in high school, full of laughter and fun. Gone too soon, RIP.*
