

Linda Louise Dandin

October 24, 1963 - June 4, 2024

Linda L. Dandin, 60 of Waldorf Maryland passed away on June 4, 2024. She was the daughter of Walter and Martha (Schroeder) Swan, born to them on October 24, 1963 in Lancaster California.

Linda had a love for books, her favorite author being Nora Roberts. No matter where she went, she always carried a book with her. In addition to books, Linda loved to travel and try different foods (as long as they weren't spicy!). She would enthusiastically tell stories of her adventures in life and could make the most mundane experience the most dramatic re-telling.

Friends and family knew Linda to be the most generous and kindest woman they have known. She was always putting others first before herself and would find immense joy in giving gifts to others.

She is survived by her son (Sean Dandin) and her daughter (Christina French). She has one grandchild (Michael French). Being a grandmother brought her so much joy and she loved to talk about her kids and grandchild to anyone who would listen.

Services will be held on June 22nd, 2024 from 9am until time of service at 10am in Raymond Funeral Services chapel. Interment will be private. In lieu of flowers, please donate to your favorite charity.

“ *I had the pleasure of working with Linda for a couple years at SSP & I got to know her a bit while traveling to Georgia for work. She was really kind, very funny, and super easy to be around. I was shocked to hear of her passing because I remember her as being so full of life. She talked endlessly about her children and I know she was tremendously proud of them both. May her loved ones be comforted by their memories of the kind and generous woman Linda was and know she touched the lives of many at SSP.* ”

“ *Twice Linda came to California to help with big celebrations in our life. The first was our 50th birthday party. The second was the renewal of vows for our daughter and son-in-law. As usual, she took over the kitchen and we didn't have to worry about the food at all. She made sure everything was stocked. Her biggest shock was when my mother arrived at the birthday party. The first thing mom said was "where's the beer?" Linda was so shocked that she still brought it up years later. One of her dreams she shared with me regularly, was that one day when we were older, we would sit on our porch and watch our grandchildren play together. I will miss our long conversations. I will miss my dear friend of 54 years. My deepest sympathy to Christina, Sean and her brother Jimmy. You are in our thoughts and prayers.*

“ We were all shocked to hear of Linda’s passing. Had the pleasure of working with Linda for the past 10 years before she retired in Sept. So sad that she didn’t have more time to spend with her family and new grandchild after all those years of hard work and dedication. Linda had a smile everywhere she went, and she spread her joy by keeping her SSP family well fed with her “Candy Cube” that Linda kept well stocked with her own time and effort. Just her way of showing she cared about everyone by giving back and supporting her work family. She will be missed.

“ *I was so shocked and saddened to hear of Linda’s passing. She really did love to feed people and do things to make people happy. Spreading joy. We used to joke about how we were going to open a catering service at SSP. Christina and Sean you are in my thoughts and prayers. May you find peace in knowing how many people cared for her.* ”
