“ *I went to church with Linda. She was very sweet and kind. She really made an impact on me in my life. I had gotten into a car accident a few years ago and almost lost my lost. She came up to me personally and told me God spared me for a reason and to be thank god everyday. That always stuck with me and I always thought of her and prayed of her often. I was thankful to have gotten to meet her and she will be forever missed*❤️

“ Tony,
I am so sorry for loss. Linda was a sweetheart and a great lady. I truly enjoyed being around her and she always made me laugh. Knowing that she was going to be at one of our functions, made it that much better. She's with Mickey now and I'm sure watching over you. Take of yourself.
