“ My heart is breaking right now, I know I haven't talk to Linda for years, but always thought about her and Dwight and the kids. We moved to North Carolina and still talk to her on every now and then. She had so much love for her family. We were best buddies in high school also with Susan Leaberry. I just want you to know what a great person you had as a mother a wife and friend. I will always keep her in my memories. Sending much love and prayers to the family at this difficult time.
