“ My condolences to the family and friends of Linda. We certainly will miss her cheeky grin, her cheerful laugh, and her warm hugs at the Newburg Vol. Rescue Squad and Fire Department's Friday Night Bingo! She honestly felt like a family member of our own and we will miss her terribly! This past Friday, we propped her seats up in honor of her so that no one would sit in "her seat"! You know how those Bingo players can be :) Praying for you all, remember the great memories and cherish them, they will get you through the rougher times. If you need anything at all, please do not hesitate to reach out to us! I will select the green candle for Newburg Green, since she loved her Friday Bingo with us!

“ I have known Linda all my life because we were neighbors and grew up together. I think I was at their house more than I was home. I am so sorry to hear of her passing. She was a kind and friendly person who always enjoyed a nice conversations, her bingo, and her hot cup of tea, be it winter, spring, summer or fall. She will really be missed. GOD Bless the family, and I'm sorry for their loss. Neighbor, and always friend, Sheila Yates Makle.

“ *I have known Linda since I worked at Stump Neck Navy Base. I was working at the Supply Building and Linda was Security Guard at Stump Neck. I first meet Linda as I was walking to the Galley and she happen to pick me up and we had lunch, from that day forward we became closed friends and kept in touch with one another. Linda is a sweetheart and she always smiling and laughing and she know that I was always there for her. She will be missed and my heart goes out to the family and to everyone who knew her. She was a good person to talk to and laugh with, she always open up her home, whenever I visit, she loved company. Her whole family is wonderful and loved and I do considered them all to be my family as well. It is so sad to see Linda gone, but I still have our memories forever. Missed you already!*

“ So sorry to hear of her passing. I've known Linda my entire life. I always thought of her as the quiet and gentle one. Probably played in her yard on most days growing up. I remember she use to always drink tea. Although our house, the Yates, and the Dorsey's is no longer there, I will always remember our fond memories living there and interacting with her and her family. RIP Linda,

I met Linda at Bingo!! We became instant friends. She acted like we friends from way back . She would call me to see if I was at bingo and to save her a seat by me because she was coming from work and would be late . I was saddened when heard of her passing. Linda, rest in eternal peace at the throne of the king. I will miss you my friend, but will cherish the memories of our friendship. Sharon Strothers

“ One of the kindest, nicest, sweetest person that I have had the pleasure of knowing. Her and my mother went to school together and every time she would see me she would ask about my mom. As recent as two weeks ago. I was so shocked to hear this sad news. I pray that her family finds peace and her untimely departure from this earth. May her soul rest in eternal peace. I am so very sorry to hear of Linda's passing. I worked with Linda approximately 25 years on the base at Indian Head. She always spoke of her son's Larry and Troy, and also her Mom, Dad, and siblings. She was always such a kind, loving, and giving soul. I will always remember her laughter and smile. My condolences and prayers to her family and friends.
