“ *My sincere and deepest condolences to Linda's family.*

I worked with Linda for a number of years in food service for CCBOE, we learned a lot from each other sharing ideas. Linda was a wonderful and one of a kind person.

Know she is always with you. When you find a penny, see a cardinal, see a shadow of some kind for no reason, feel a sweet and comforting breeze, dreamswith her in it know that is Linda with you telling you something. Heaven received a Angel with beautiful wings.

The love of Linda will give you strength to get you through the coming days.

“ Linda helped me so much when I worked at schools she was like a Mom to me she even swatted me when I messed up. She taught me what I needed to be a successful manager and when she retired I hired her back to work for me. We shared a lot of good times and bad days. I not only loved her I respected her. I am sorry for the great loss but I gained an Angel I know! My heart is with Marty, Beverly, Julie and all of her family and love ones.
