In a few days grandma sandy and you go play some bingo, and when big. Most of all you are at peace and enjoy your life with God and all your angles.. But down here on earth I miss you so so so much.. Your were my angle here on earth, and I miss you so much I don't know what too do. I luv u I will miss our phone chats and you telling me how much you loved me, and you always told how pretty I was and always told me how good I looked... And the same back at you... I could go on for days about how much I love you and miss you so much.. I will see you again one day soon.. Give everyone my love, and never forget how much you meant too me and still do. I luv and miss you so much, but I know you are in a better place and you are with the rest of our family. Oh and Chico said to tell you how much he loves you.

“ Boo Boo,

I will always remember the times that Mary Ann, you and I had at Dr.Elshafei's office. You always told it like it was. Your sense of humor keep us laughing all the time. You traveled with us all the time Mom was in the hospital. (Even when we would get lost) which was a lot. My deepest sympathy to all the family. I know that you will really be missed. Until we met again. Love you lots! Cindy Kersey
