“ The love I had for Linda will never end. She was my first love from high school and I have had the pleasure of being in touch with her for about the last 25 years. “ Linda made such an impact on so many people. She constantly delighted me with her willingness to give of herself, with no expectation of reward. She was always available to answer questions, and share her expertise. She was a shining example of helping people for the simple reason that she could. She will be missed.

“ So sad about this loss. I worked with Linda, succeeding her at the Charles County Chamber of Commerce in 1998. I later worked with her at the Southern Maryland Association of Realtors. She was a leader, mentor, friend., and contributor to the community. She will be missed. My condolences, prayers, and thoughts to the family.

I loved working with Linda! Her smile and enthusiasm were contagious and she was always so much fun. The last time I saw Linda was at Lettie Dent Elementary a few years ago at a school program that our grandboys were in. It was wonderful to see her! Love to Linda's family!
