“ *Every day at work I would come into the office and see her two pups looking back at me from her computer screen. As Aaron and I have 5 dogs of our own we would trade the crazy doggie habits that they had and stories of their latest escapades.*

Lisa always got the biggest smile on her face when speaking of her children. Her stories from the shopping trips to NY City were wonderful adventures filled with family and friends and, of course, LARGE shopping bags. If it snowed everything became even more magical.

She had a kind word, ready laugh and wonderful way with everyone with which she came into contact. Our clients LOVED her and we are so blessed to have her energy interwoven into our business and personal lives!

May you be blessed daily with an uplifting thought as you remember the amazing woman, mother, sister and daughter she was. Peace to you all!

*With love and compassion,
