“ Dear Aunt Lisa,
I still can not believe you are gone. You have left us all way too soon but we all now have another beautiful Angel to watch over us. You were such a kind hearted soul and truly a gem in our family. Thank you so much for always being there for me and the rest of our family, especially when my Dad just passed in December. You were there with open arms and a shoulder to cry on. You will be forever loved and missed. RIP my sweet Aunt.
Love Always,
Christina

My friend Lisa, I will miss talking to you about our family, and random things that were going on in our lives. I love you Lisa, I just cannot grasp you will not be here with Rusty and Travis, but I know that you are that Angel watching over them. 🥹🌸 I always envied your clothes and the jewelry you wore and you always looked pretty.
