Lisa was a loving woman who so loved her family but the "boys" were the apple of her eye"s. She enjoyed life but always thought of others before herself. I was so blessed to have shared 20 of the best years of my life with Lisa & her family . Her entire family became mine and for that I will ALWAYS cherish . I love you so much girlie. Just remember I am always on your right shoulder. My love and sincere sympathy to her loving family.

Having known Lisa since she was born, I can truthfully say there's never been a sweeter person. Her family and everyone who ever knew her will forever think about and miss her.

My dear sweet Lisa - I can still see your beautiful smiling face, your rosy cheeks and sparkly eyes as you twirled around and around in your ballerina slippers! The only difference now is you have your "Angle Wings" as you twirl around in Heaven! God will give your family the strength they need to carry on during this time of sorrow.
