“ *My sweet 2nd "momma"*
Your love and devotion through the years was unmeasurable.
Always by my side no matter the obstacles.
Your love was pure and unconditional. No other will ever compare to you in this life . Your loving heart, your kindred spirit .
You were definitely a one of a kind person and I thank you for all you did on this earth to show what true love should look like.
I will forever hold the memories in my heart and I will never regret any moment spent with you mom .
You were my angel in disguise .
Fly high MOMMA!
See you when I get there !
