“ Without a doubt Heaven has gained an exceptional angel. I met Lola about 3 years ago when I started working at The Lunchbox Diner. She was always smiling and full of hugs. I started calling her “My Lady”, not sure why just to my mind and stuck. We enjoyed sharing stories about her great granddaughter Cruz and my great granddaughter, Hazel. She was always full of compliments for all. Not one day goes by that I don’t think about her with awesome laughter and memories. I have grwon fond of Lola’s family Ace and Hunter whom would come to The Lunchbox Diner with her. You will never be forgotten My Lady. Fly high y friend.
