“ *Deepest condolences to the family of Polly. Farewell Dear Polly, I will always cherish our Census Bureau memories as good friends, my work family, and colleagues (and the best part, in that exact order!). Even though I left to go to another agency in 1990, my Census Bureau family remains forever in my heart. Rest in peace sweetie, I'm so honored and blessed to have known you in this walk of life.*

Love you, Kathy Goodman
