“ *Goodbye Grandma? I know this is a little late but I just figured this site out. I will miss you so much. You were beyond the best grandma I could ever wish for. Every time I see a cardinal I think of you. Aunt Pat Burch shared a story about you during your funeral/burial day. It was about ice cream and that was one of the best stories that could have been shared about you. I miss you very much but the good part is that now you aren't sick anymore. And you are with Doodlebug Aunt Pat in heaven?*

“ *Grandma,  
You meant so much to so many people. I loved spending my days home from school with you -doing puzzles, watching the Price is Right, your chicken salad....but most of all your hugs. You taught meso much and you always made sure I knew how much you loved me. I'm so glad my girls got to know and love their MawMaw. I miss you so much already, but I know you'll be watching over all of us from Heaven.*

*Love, Joy*

“ I am so sorry to read this. Mrs. Burch was such a kind, sweet lady and I remember her being a friend to my Mother, Irene Bowling. So many of the folks I remember growing up and being part of St. Mary's Church in Bryantown or connected to my Dad's store in Hughesville have passed on and they leave such a void....but many wonderful memories. It was such a good time and I admit to missing those times and the kind and caring folks who filled them. I will keep Mrs. Burch and her family in my prayers.

“ Dearest Mom,  
You were a wonderful Mother-in-Law to me for almost 20 years and words cannot express the sadness I feel that I won't hear your warm voice or feel your hug again. You were the best Grandma to Billy and Cassidy that anyone could ever ask for. You will be missed terribly by us all. I know Heaven has welcomed you with a sweet reunion to Kenny's dad and your many family members that have passed before you. One of these days I will finally make your chocolate icing recipe right and I hope you are watching down on me when I do.  
Love, Susan
