“ I would like to express my condolences along with my thoughts and prayers to the entire Monte family. I worked at Shoppers Food Whse in Waldorf. I had the pleasure of seeing Mrs Monte on a regular basis as a customer. She liked how I bagged her groceries and she was a sweet lady to work with. I worked there for 19yrs and had her a customer often. I will miss her very much. Turns out I went to school with her daughter in law, Tammy. My husband and I have since moved away and I was sad to hear of her passing. I've had the pleasure of serving many customers for many years. She will be missed. God Bless her family and friends. May she Rest In Peace. Thank you, Joann Ramplin

Lydia every time I think of you a smile will cross my face. You were truly a good friend. I will always remember the good times we had. And no matter how long the time in between we would talk or see each other it was just like it was yesterday

Goodbye my friend until we see each other again I will miss you and love you

It's been a long 2years momma tried to overcome her illness. I talked to my dear friend Cindy almost every day to keep up with her prognosis. I just had my last visit a few weeks ago with momma, (I called her that). She seemed upbeat and peaceful. That's how I will remember her. I kissed her cheek, told her I loved her and hope to see you this summer when I come home. I was blessed to have known her. Shes at peace now with her loved ones, and the Lord, and take comfort in that. My sweet friend Cindy will have some hard days ahead, I'm praying the Lord comfort her in knowing her mother is by his side.
