“ *To all Joanne's family. She was family to me also. I have lots of memories of her over the years. We celebrated many holidays, birthdays, picnics and lots of other family times together. Recently, during her most difficult times I was able to see her on Christmas day and I visited her in the hospital and rehab center. I sat with her and we listened to Christmas music together. I will treasure those memories. It brightened my day and I feel like it brightened hers as well. I am so sorry for her loss, but we all know she is in a better place in the arms of your dad. Also with her twin Jean and grandson Joey. Condolences, prayers, hugs and much love to each of you at this very difficult time in your lives.*

*Love,
Gay*

“ *Jimmy - All our many years together taught me of how much you loved and cared for your entire family, especially your parents. So I know what a loss and how hard it is for you right now my old friend. You and your family are in my thoughts and prayers as your journey though this horrible experience. Your Mom was a beautiful young lady from her photo and she obviously was a great mother from the way you grew up.*
