To: Kellie, and her Mother and Father, (Grand Mother and Grand Dad. I can not begin to imagine what you are feeling and the horrible emptiness your hearts are feeling right now. I'm not sure what to say at a time like this... other than I will pray for God's will, (the fruit of peace, love and kindness) to be with you always. I will always pray for you to stay close to him, and for him to draw you near him always. And keep you close to him. I will pray always for the full Amor of God to be around you, (Ephesians 6:10). I believe that she is with the Angels and is watching over her Mother and Grand Parents. Please know that little children have angels in heaven who are always with our Father in Heaven (Matthew 18:11). I know he will carry you everyday, and when you feel that you cannot go another step, he will carry you, he will give you the strength and fortitude to move forward each and everyday of your life. Please trust, please trust in him. June Cheatham. GOD's BLESSINGS!!

“ One of the hardest things I had to do was to explain to my 2 children that they would not be able to walk over and play with their buddy Maddie anymore. My daughter, the next day as she started to process what this means exclaimed, “I’ve lost my BEST friend dad!”
💔💔💔💔 From Rachael, myself, and the kids we are devastated by this and we know that pales in comparison of how Kellie and family must feel. We send our deepest condolences and prayers to your family and want you to know that our family has been forever blessed to have been able to get to know your sweet angel. I have told the kids that they now get to go out and live their BEST life and do all the things that they know sweet Maddie would have wanted to do with them. She is now watching over them as she is her family and friends in heaven. Here are a few pictures that show my daughter’s first friend. ❤️❤️❤️

“ Maddie was a ray of sunshine. I watched her while her mom worked and she was the best baby to watch. She was smart, yet strong willed. She always knew what she wanted and made sure you did too. Maddie was a silly, loving little girl that could make you laugh either by her expressions or by something that she would just say out of the blue. Rest In Peace my love and watch over your mom. My heart, thoughts and prayers are with all her family and friends. I hope the memories of her will keep her in everyones heart. Love to all.
