

Manuel Giron Cruz

December 10, 1952 - September 28, 2022

Manuel Giron Cruz, 69, passed away on September 28, 2022. This loss was completely unexpected leaving family and friends shocked and deeply saddened. He will be truly missed in so many ways.

Leng, as he is fondly called, was born on December 10, 1952 in the Philippines. Manuel was a chauffeur at the Embassy of Nigeria for several years where he fully enjoyed what he did. He had kidney transplant and during his healthier days, he enjoyed playing tennis and biking. He was a wonderful cook and enjoyed preparing meals for friends and family. He liked to shop, was always dressed impeccably, everything should be matching from his hat to his shoes. He has an extensive wardrobe, including his shoe and hat collection. He loved his family especially his “grandson” Darron.

In 1982, he married the love of his life, his earthly angel, Myra, deeply in love and inseparable until the end. They call each other “Mahal”. They are “foodies” and would seek out new places to eat usually with Darron.

Manuel was predeceased by his parents Pablo and Lourdes Cruz. He is survived by his Mahal of 41 years, Myra. He is also survived by his sister, Nora who also lives in Maryland and his 3 siblings who are in the Philippines; brother in-law, Jaime Gabriel and family, sister in-law, Aida Eusebio and family, Danny, Rhona and Darron, numerous nieces and nephews here in the

US and in the Philippines and a large extended family in Fort Washington Maryland. In addition to his surviving kin, Leng and Myra shared their love and opened their home to so many and formed some of their closest “chosen “family ties.
