“ When I heard the news of her passing I was in shock. Margie and I go back as far as our early 20's. We were best friends for so many years. We traveled the east coast together many years ago. At one time we were *Thelma and Louise*. I miss you already. God Bless you and I know you are making heaven a brighter place. I will see you there some day. She gave me the nickname "*Diamond Deb*".

I am in utter disbelief of the passing of Margie, It was only back in Oct. at he vegetable stand that we were talking about how the summer had flown by. She was always in the best mood and laughing, My sister and I went to the stand every Saturday for as long as her and Russell were open. My deepest sympathies go out to Russell and the family. RIP Margie.
