“ *Mrs Rollins (Margaret) was a wonderful lady. I spent many hours talking and having a good time with her back in the 70's while visiting the family and hanging out with Mark. All of her family, friends and anyone else that shared in her life are all very fortunate to have known such a wonderful person. God Bless all of her family and friends in this very difficult time.
Rest In Peace Mrs. Rollins. You will be missed.

“ So happy that the kids and I were able to see you on Easter Eve to give you your Easter basket and the Banana bread and brownies Gracie made you. She learned so much from you when it came to baking and cooking. Gage, well he loved coming to your house to play his games on his phone because Grandma let them do what they wanted lol, but he loved to help you with the food that he would take out to the Deer and what ever animals found their way there. They also loved the outings with you and Gloria, feeding the ducks, or going out to eat. Truly some of their best memories to them. My heart hurts right now knowing you are physcialy not with us but the smiles happen knowing you are always in my heart.
