“ *All I can say is that she was one wonderful, kind and caring women and will be greatly missed. She had the cutest laugh which she did a lot, especially when I would visit her with Maryanne. I loved making her smile and laugh. Aline was very lucky to have had such a big family and so many friends who cared about her. I was especially proud of her daughter, Maryanne, who visited with her just about everyday. Her dedication to her mother was astounding. To the family, we send our prayers and condolences and know that she will be watching over us all. Aline, may God wrap his arms around you and comfort you.*

“ I would like to extend my deepest condolences to her daughter, Mary Ann and her husband, Skip Hanson, who devoted so much of their time and attention to this precious and dear lady. She was one of a kind and who enjoyed her outings to her favorite place, McDonald's Restaurant, where she always enjoyed her hamburger, french fries and finished it off with her favorite dessert, a hot fudge sundae. I feel honored to have been able to devote my time with Aline and the memories of her will forever remain with me. My sympathy is extended to the rest of her family members and friends as she will be our Guardian Angel. May she Rest In Peace until we meet again. With Much Love!!!

“ i have so many memories of this lovely lady when my daughter Joanna was growing up alongside Vicki's daughters, I could probably write a book, but the one thing that is common in EVERY single memory is what a calming presence she was. No matter what the children were into, or the crazy holiday preparations that were swirling around her, or dogs running through the kitchen, Nanny was always calmly busy, smiling or just shaking her head at us.

“ *I was a child when my brother married Gail, one of Ailene's daughters. I used to love to go over to their house to visit for the day. Ailene was always in the kitchen of what I used to call the "upside-down house" (the kitchen was in the lower level, which I assumed was the basement) She could cook up a storm and I always enjoyed her food and her kindness to me. All of her kids were always so welcoming and I was kind of jealous of the large family. She and Joe raised a great bunch of kids into terrific adults.

I remember that house. Never thought of it as "the upside down house," but yeah. Even though I was very young I still have memories of so many good times there, and Nanny making it a wonderful place.
