“ *Aunt Betty was I believed to be an amazing, tough, stubborn(which I believe runs in the family), loving woman, just like her "momma". She loved with all her heart. I will so miss her laugh and her voice when she called my dad Stevie or Uncle Dell, Ardell (I would always be shocked because I only knew him as Dell when I was young)and Dale, Daley which I still call him, sorry Dale. She was a beautiful woman who had an amazing life. Many parties I remember going to at her house for Christmas or Thanksgiving. She used to make this soup, which she called Rabbit Turd Soup (wedding soup). She would make it at Easter time, lol. Wish I had gotten many recipes that she loved to cook. Man could she cook!!! She will be missed, she still will always be loved. I pray she watches over all of us. Love and deepest sympathies to the rest of the Wenzel, Chiarizia family and friends.*

“ We certainly will miss our visits, although they were short or perhaps not as often as we would have liked them to be. Miles have kept us apart. We really enjoyed our time together with Betty and family. She was always the life of the party! Always kept us laughing. Had great times together. She enjoyed our picnics to Penn Roosevelt. She laughed how we went the long way around to get where we were going. I hope we made happy memories for her when she was with us. Blessings and sympathy to Dale and the children. “ Rest in peace my precious cousin. I'm going to miss our weekly chats on the phone together. You and I have a love for Christmas decorating so I'm going to keep up the tradition for both of us for as long as the good Lord lets me. I love you and I'm going to miss you dearly. Your cousin Joann (Kreydatus) Hoy.

“ I'm going to miss buying her silly little flowers and then her making mr. Dell take care of them. Sitting and chatting with her whenever I go to visit Donna, always having to update her on my hair color and remind her which Kim I was, trying to explain to her why we were getting up so early to go to Renn Faire and then tiptoeing in through the house after a long day of Renn Faire so we didn't wake her up. Very sad that her cancer had her so ill I couldn't take little B to visit one more time. She loved showing him all the little halloween and christmas decorations that he could play with.
