“ Mom,
I have a lot of good memories of you. I have fond memories also of Elkton, Virginia where you and dad took us to see our grandparents when growing up. Myself, Lynn, and Debbie learned alot about life from them. We laughed and sometimes cried but were always a family. I remember Beverly Beach and Glen Echo where we went from time to time. They were some very good times. I remember all the times we would visit you and share some laughs together and all the times you were so excited to have all you kids together in one place. These are the things I will cherish always. Thanks also for loving my wife. She thought a great deal of you and always will. Mine and Kittens blessed hope is that one day we will see you on the other side in a land free of illnesses and the heartaches we put up with in this life. Perhaps we will laugh again. Thanks for everything. Victor and Kitten

Thanks for all the great memories, for being a great friend before I married your son, and most important for loving me. She show me how to eat crabs and I show her how to drive-thru McDonalds for ICE CREAM.

Marge was the one that also showed me how to eat crabs @ Sams Crab House, Clinton, MD, and gave me driving lessons on Silver Hill Road...the passenger side must have had an indent in the floorboard from her left foot braking at the red lights. 😊

“ *Oh Reds aka grandma not sure how I will go on knowing you are in heaven now. You and pop pop were always there for me, from taking care of me and mom when we needed it the most. To pop pop sleeping in my little mermaid tent in the living room. And how I miss your sweet cards I got in the mail every birthday and Christmas. Life goes on but, I only pray that you will watch over your loved ones and be mine and Kirsten's guardian angel, over our sweet babies that are due the end of this year! I will always love you and the sweet smell of your perfume and cig smell, but I think I'll miss the warm hugs you always had for me coming or going.... Try not to have to much fun up there with PopPop* ❤️❤️
