“ Marie was definitely one of a kind, a Great Wife, Mother, and Grandmother. Family was everything to her and she willingly displayed all actions that led her to become loved by all. Whatever endeavor she faced, she accomplished it with love and grace, I am so thankful for all the times I was with her and the family, she will always be missed. Although she has left her earthly home, what a treasure of gifts she has given for family and friends to enjoy. We will miss you always.

“ I am still wanting to wake up and this be a horrible nightmare. I've spent many many days at her kitchen table, shopping, getting our nails done, just doing whatever. I already miss her terribly. Marie and I always said one thing to each other...."where did I find you" and the other one would say "the Freakin Bears". Yep, I am so thankful for the Bears!

“ My deepest sympathies to Tim and the family. Marie was truly a "one-of-a-kind". I was fortunate to have worked with Marie on a daily basis. She was the primary reason that made my each day at the office tolerable with all the stress of business. Her sense of humor was unmatched, and a pleasant relief from the day-to-day activities. I miss her laugh, and miss all the laughs she provided me each day. Marie always talked about her husband, kids, and of course her grandchildren, which she always had pictures to share. She was very proud of her family. I, and many of her fellow co-workers at Soltesz, will miss Marie tremendously.
