“ Hi Uncle Leon, Dawn, Karen, Scott and Linda, and of course all the Family, I want you to know how truly sorry I am for your loss of a wonderful Wife, Mother, Grandmother and a wonderful Aunt to me. I always appreciated her kind spirit she just had that calm way about her. I always had such a good time with all of you when you would visit Colorado. I will never forget when our Family came out to visit all of you when you lived in Worchester, Mass. I remember your mother telling us how good this pizza place was in town there, and she was right, I loved it! I was very blessed to have been out there during my birthday, Linda made me a cake that was awesome she poured her heart into it. It was the best 14th birthday back in 1976 I could have for. Your Mother and your whole Family treated us like royalty. Thank you all for the memories. My thoughts and prayers are with you. May God richly bless all of you. Love to all of you.

“ Dear Leon and Family,
We are very saddened to hear that Marilyn has passed - she was such a giving, caring, and supporting soul who was always there for others who might need advice when presented with journeys similar to hers.
She loved her family very deeply and fought such a brave battle to stay with you all as long as possible.
Marilyn is now at peace - and without the restraints of her illness. I am sure that God is pleased to have her with him and that she is a "light" in heaven!
We are praying for Marilyn and for you so that you feel the support and love of friends and family during this difficult time.

I'm so sorry to hear of the passing of Marilyn. As your financial adviser, I truly enjoyed getting to know Marilyn during my annual visits to your home and sitting in the enclosed patio area hearing about your family and other goings on. I will keep you all in my thoughts and prayers during this time.
