“ My sincere condolences...Skip and I cruised together on the USS Nitro in 1985, and throughout the years our paths crossed many time. He was without question a great professional and the best friend any person could have. He was more honest and likable than anyone I've ever known. His smile was infectious, and his stories always left you smiling. My wife and I have many time spoken of him and his dog, SoHo, who he shared with us while he was at the Mobile Unit. We looked after SoHo for a couple of years and when we got orders to the EOD Det in England she went back to Skip while he was stationed at Det Yorktown. Skipp was a man who never knew a stranger and there is no doubt that he will be missed by all who knew him. "FAIR WINDS AND FOLLOWING SEAS MY FRIEND!"

“ Lynne and family, I was very sad to hear of Skip's passing, and am very sorry I could not be with you yesterday. I will stop to see you the next time I am in Maryland. Skip was a very special person, and even though we never served together on active duty, we did cross paths from time to time at the TechDiv, and were friends and had shared some life experiences. My thoughts and prayers go out to you and yours. With sadness, Terry Briggs

“ I am sorry that we did not have more time working together
I am sorry that we did not share more travels together
I am sorry that I provided you notification of your mother's passing
But I am not sorry for having the honor to work with one of the best!
Rest in Peace, my friend! You will be missed by many!

“ Sincerest Sympathy to all of Skip's family!
Enjoyed working with Skip while I was an EOD Instructor, again
when at Air Force Det 63, and yet again at NAVEODTECHDIV. Skip
was a Jewel. Looking back, I remember Skip waking me up at
5:30am when he would run the navy students through Riverview
Village. He also would be a voice of Sanity at the Techdiv.
He will be sorely missed, Rest In Peace.
