“ My condolences to the family. If memory serves, there was a period of time when Glenn worked @ the Northwest Door of the Dirksen Senate Office Building (DSOB). Having been a member of the United States Capitol Police (USCP) since June 1988, I only had occasion to see Glenn if I utilized the door @ which he was posted. I remember when my wife and I moved to La Plata, to a home not far from Glenn's, close to Cooksey's store. I believe Glenn visited my home as it was being built. Between 2008 and 2015, I had occasion to drive an unmarked USCP vehicle to/from work, and there were several instances where I'd drive by while Glenn was working in the yard, or outside near his garage. I'd blow the horn, and activate the siren, which always drew a huge wave from Glenn. Thank you, Glenn, for your many years of faithful service.
