“ Joe lives on in our hearts and memories as the wonderful and sincere person he was. We met him through our parents when they moved in next door to Joe and Cindy. Our immediate impression was that Joe was, not only hard-working, but had such a giving heart, and sincere personality. It would be through our years of knowing him that would prove our impressions to be fact.

We are thankful for the friendship and kindness that Joe always demonstrated to us and to our parents. We are fortunate to have had Joe in our lives and are certain that he had a positive impact in the lives of so many others.

Our deepest sympathies for your loss.

“ A Joe, lo recuerdo con un carácter muy jovial para con nosotros. Siempre fué muy servicial y nunca olvidaré su regalo de Navidad. Él siempre venia con su maceta de flores de Pascuas. Eso me daba mucha alegría.

También recuerdo con ternura que siempre estaba dispuesto a ayudar a Angelelito (Angel) con la nieve. Ustedes fueron unos vecinos maravillosos que se convirtieron en familia. Quién nos iba a decir que tanto Joe como Angel se nos fueran de este mundo. Ambos eran hombres de trabajo y honestos. Espero que ambos esten disfrutando de su compañía. Le deseo que brille la luz perpetua y que su alma descanse en paz. Joe, siempre estarás en mis pensamientos, oraciones, y corazón.

Con amor,
Mirian (tu vecina y amiga)

“ Joe recently joined our lodge and immediately showed his special brand of dedication and volunteerism. Almost immediately after joining, he volunteered to work at our monthly Steak and Shrimp dinner and he also asked to be a member of our all-Volunteer breakfast crew when we return to that program.

Many of us got to know Joe through the LIONS and we were very proud when he decided to become an ELK. We believe that one of the reasons that he joined was the commitment of ELKS to Veterans causes.

The national motto of the ELKS is "So long as there are Veterans, the benevolent and Protective Order of ELKS will never forget them".

The ELKS have a partnership with Housing and Urban Development to assist in getting homeless Veterans off the street and into healthy living situations. Through our welcome home program and our Army of Hope Program we provide financial support to Veterans in need.

“ Joe was a dedicated LION and showed great passion for LIONISM in his work. He performed countless hours of volunteer service. He was a driving force in keeping the Accokeek LIONS Club operating for many years.

Joe was also proud and supportive of LIONS Camp Merrick, a district wide project for LIONS District 22 C. The camp provides a superior camping experience for special needs children who are hearing impaired, vision impaired., or have Type I diabetes. The camp also supports retreats that are conducted by Warfighter Advance that are designed to assist Veterans and their families with treatment of Post Traumatic Stress Disorder.

“ *Joe was one of the best friends I have ever had in Life. He was kind and always willing to help anybody that needed anything. He helped at a lot of events at my church. He helped strangers. Anybody that He could. He had a servants heart. He was funny and always had a smile on His face. He was a God-send to my family and anyone that knew Him. Joe talked about his family constantly. He Loved His wife Cindy. I knew everything that was going on with Jeff, Michelle, and Ryan. He was so proud of all of them. After He finish talking about his children, He would give me an update on His grandchildren. He loved them dearly. It was nothing He would not do for them. My life won't be the same without Joe. He was a reflection of God's Love! You will be missed However, I will see you again in Heaven!*

Love Always,

“ I know Joe from Scouting when my son started Cub Scouts in 2005. Joe loved Scouting and the opportunities it provides young men. Every Cub Pack and Troop is sponsored by an organization and the Lions Club, which Joe was a member, sponsored Pack 425 and Troop 144 in Bryans Road. Joe took many opportunities to visit Pack and Troop meetings to talk to the boys on what Scouting meant to him and what opportunities and fun it can provide to them. He took much pride that he was a past Scoutmaster of Troop 144 and his son was an Eagle Scout from Troop 144. He mentioned it almost every time he talked to Scouts, not to brag or such, but to show his pride in the organization that meant so much to him. He teamed his Lions Club with the Pack and Troop to collect food every November to use in holiday dinner boxes to provide to families in need in the Bryans Road/Accokeek area. This was always a great community service project for the Scouts each year and Joe made it happen. The boxes were filled not only with food the Scouts collected, but turkeys, bread, potatoes, etc donated from his Lions Club. Every year, Joe was always very generous giving donations to the Scouts from the Lions Club. Those who knew Joe from Scouting, both adults and youth had a good friend and their lives were enriched because of him.

May his memory be a blessing.
