“ *Martha Jane was our neighbor and friend for 20 years. Her door was always open and she loved it when people just stopped by for a visit. She would quickly stop what she was doing and offer up some iced tea and a snack-always making you feel that there was no other place she would rather be than visiting with you. She will be missed. Our heart goes out to her family.*

“ *she showed me how to make scones and we have been doing a lot together. We had so much fun cooking than cleaning. Clarence will love you and miss you, too. Also, your pineapple upside down cake.*
