“ I will always hold “Grammy” memories in my heart forever. Every time she smiled, her eyes shined so bright. I had mentioned how I loved her fried chicken, but her pickle beets were so delicious. Rest Easy Grammy, you’re with the Lord and singing with the Angels. Until we meet again ...

“ I will always cherish my childhood memories of my Auntie Nellie as I have called her into adulthood. Auntie, would always show and give love to me no matter what, especially loved the family gatherings at her and Willie's house anyone and everyone was always welcomed. I will forever love and miss her and I know she has already told my Dad and Mom that I love and miss them. Rest In Eternal Paradise Auntie! Gone but never forgotten💕
