

Mary Ruth Boyce

December 8, 1952 - October 28, 2014

As evening approached October 28th 2014, what seemed to be an ordinary day, Almighty God, in his divine wisdom, saw fit to call from labor and reward our beloved Mary Ruth Boyce.

Mary was born one of five children to Dorothy J Davis and the late William J Parker.

Mary, affectionately known as "MOMS", was a devoted wife, mother and friend to all. She was a very generous and caring person. She lived her life as she wanted it to be, dancing to the beat of her own drum. She had a fun and spontaneous side. She will be remembered most for her compassion and empathy for others. She would never turn away anyone in need. Her love and kindness was felt by all.

Mary was all about family. She found joy in being a family centered woman. Her children, grandchildren and neighborhood children appreciated her wisdom and the values that she instilled in them. A piece of her will live on in every person that was privileged to cross her path.

Mary was united in marriage to Ralph E Boyce II on April 15th 1972. This union proved to be one of love, faithfulness, and great companionship spanning 42 years. It was rare to see one without the other.

Mary leaves cherished memories with her loving husband Ralph Edward Boyce II, daughters, Anita Tyndall (Ronald), Christina Washington, Brenda Curtis (Keith) sons, Ralph Edward III, and Wayne Russell Boyce (Michelle), brother, Wayne Turnbull, sisters, Nancy Queen and Jacqueline Senf, 13

grandchildren, 6 great grandchildren, mother- in- law Kathryn (Kitty) Boyce, brother- in- law John Russell (Russ) Boyce, sister-in- law Kathryn (Kathy) Campbell and a host of other relatives and friends.

“ *My heart goes out to you all. I have been through this so I know your pain. They say that time will heal all pain. I have not found that to be entirely true. It just gets different. I have so many good memories of Mary, it would be hard to share them all in this space. It's enough to say that when you were loved by Mary, you were a better person because of it. Love and Prayers, Pattie Jean*

“ I'd be lying if I said this wasn't hard to read without crying . There's too many memories to share that my grandmother and I had. She took me to my second concert, kenny chesney. She watched me go to my 8th grade formal. She watched me graduate middle & elementary school. She's celebrated all 17 of my birthdays with me. She's given me everything I could ever ask for. If I asked for the world she would try and get it for me. That's the kind of person she was. I can't wait to graduate highschool and look up and thank you. I love you grandma.

LI

“ My heart truly goes out to your family/friends. I will always remember you holding your phone and jamming to your music, I thought it was so nice that you still remembered me after all these years, and gave me a hug. You are definitely an original, I know you are in heaven watching over your family. They all miss you so very much. I pray that God will comfort them, and grant them peace. Heaven gained an angel, you will always be missed and loved.
