“ *Dear Michelle & Randy...we were extremely saddened by the news of Pat's passing. Our fondest memory of Pat is seeing her sitting in the Sky Room reading a book, and engaging us in conversation which informed us about what was going on in her life. We certainly have missed those enjoyable encounters!*

Her work in organizing the large number of books donated to OVM into a functioning library was greatly appreciated by her fellow residents, and it is her lasting legacy at OVM!

Our thoughts and prayers are with you both...Love, Linda & Brian Hogg

“ My sister will be so greatly missed by us. She was my confidant, friend, but most of all a sister that I could lean on whenever I needed too. I love her so much and can't believe she is gone. I am happy for her because she was in so much agony for so long and now she has found peace. Know Patsy that you are in my thoughts and my prayers every day. I know where to find you, and trust me I will be calling on you from above. Thank you for all the years of love and understanding. I miss you already. Love always, Dorothy and Dale
