“ *Bob, Kathleen and the entire Eaby family,*

My thoughts and prayers have been with you and your family since I heard of your loss and shall remain with you through this very difficult time in your lives.

I was so very fortunate to have met Kathy soon after I began working for the Southern Maryland Health System and we became friends. For a number of years, we shared a group of girlfriends from Southern Maryland Hospital with whom we would go out to dinner for a "girl's night out". Kathy was slim and trim from the time that I first met her, but she always counted points and was dieting when we would go out to eat. We shared so many good times, so many stories about our families and so many laughs. Her eyes twinkled, her smile lit up her face and her laugh was infectious.

Kathy was a genuinely caring and loving person. She will be sorely missed by all whose lives she touched. Now, when I look up at the heavens at night and see a twinkling star, I will see Kathy and know that all is well.

*Love to you all,
Barbara Shoemaker*

“ *Curtis and Kathleen,
Please accept my condolences. I worked with you and Kathleen at SMHC in Medical Records and your mother's office was right down the hall and would see her everyday. She was always a smiling face to anyone who met her and had an infectious laugh. Know that you and your family are in my prayers.*

May the Lord bless your family.

“ *Eaby family I'm deeply sorrowful for your loss! Sis Eaby was so kind, sweet, humble and a true example of Proverbs 31!! She was a great woman of God to me and my daughter as new saints to the Apostolic faith! Her laugh was infectious when something was really funny. Her nickname for my son will forever be 'Bro Amen' (Abram). She and my Mother shared the same birthday. They are both in the bosom of Jesus!! R.I.Paradise Sis Eaby...Acts 2:38*
