“ I just learned of my dear friend, Mary Edelen's passing. We shared several jobs caring for patients. Mary was one fine lady. I'm grateful God ordained we should met and become such good, strong and long time friends. If Ron Ron reads this I would appreciate a phone call. With love and strong prayers. “ It has truly been an honor taking care of Mary. She has been such an inspiration to me: her caring nature, her honesty, her hard working attitude, her courage and most of all her faith. I know she's with God and memories of her will remain with me. I will miss those conversations we had and advice she gave me. She truly was one of my favorite patients from the first moment we met! My prayers are for the family
