“ We were Mary's next door neighbors since 2006. We would tell each other all the time that we were the best neighbors we had ever had. And, we meant it. We would see each other on a daily basis, as I picked up her mail each day and brought it to her because I didn't want her walking across the street to get it.

She would ask me many times "Do you have time to come in for tea?" I did often, but now, I wish I had done it more often. The talks would turn into hours, sometimes. The time would fly by because she was such a joy to be around and was very interesting to listen to.

She was always in a great mood when she greeted me at the door, each day...even when she clearly was in pain, sometimes. She couldn't wait to tell me about the days news or about her bingo winnings from the night before. You could usually hear a baseball game in the background during the season. She loved baseball. We learned so much from each other. I will treasure everything she taught me. I will never forget her and Greg laughing so much together. He loved making her laugh.

She was like family to us and we will never forget this beautiful woman, ever.

To the Gebicke Family-

Thank you for sharing her with us for this short time in our lives. We loved her and miss her very much. And, she loved all of you so much. She loved sharing about her family.

Our thoughts and prayers are with all of you.

“ Roger had brought me home for the first time when I met his mother Mary. Roger had gone off to work and left me at the house. Later in the afternoon, Mary called to me, "Kathy it's time for tea." She was so warm and friendly. She was very kind to me. I know she and Roger are probably sparring with each other. Love always. Kathy

“ Tom and family,
Deetl and I were so sad to hear of Mary's passing. We both feel privileged to have been her neighbor for over 20 years. I will never forget her laugh and her generous, loving spirit. More than once, she gave me some of her beautiful clothes to share with the lady veterans at Charlotte Hall Veterans Home. And she gave me a beautifully embroidered tote bag, that she picked up on one of her many adventures. I will treasure it and her memory for the rest of my life!

“ *Mary was lots of fun. I met her at Christ Church, Port Tobacco Parish. She loved to knit and surprised me with a scarf one Sunday. Later, she passed on her knitting needles to me, some of which have become favorites. I hope her son and his family are comforted by all the prayers that I know are surrounding them right now.*
