“ My deepest condolences in the loss of Kristy. I was shocked and so saddened to learn today of Kristy’s passing. There are people you meet and know if life that you KNOW are an angel from the Lord above and Kristy was definitely an angel. She was always so sweet. She was so beautiful. I will miss her and her happy and bubbly personality. I am truly hurt and sad I will not see or speak with her again. I pray her kitties are all being taken care of, as she loved her cats tremendously. I know the good Lord must have needed Kristy now in a different capacity and hence she went home to what here sister rightfully called “paradise.” Kristy- if you can hear my thoughts, please know that I cherished you as a person here on earth and you always brightened my day. You are one in a million as far as kind loving souls are concerned. I will miss you tremendously. Love, Marilyn Rybak

“ My sincere condolences to the McGinn family! I just heard today! I guess being out of state now I am out of touch. I can just hear her laugh right now. That is what stands out to me. Kristy was kind and generous to those who knew her. She will be sorely missed. Send us a sign Kristy!

“ Kristy, You were my little girl and you will always be...So many memories of everything together..You were and will always be loved...Everyone is in disbelief and Miss you Sis💔... You know what that means and always posted that when you sent me a message..
