“ *My deepest sympathy to MG's family and friends. I met MG at Dentsville Volunteer EMS & Auxiliary. I never saw her without a smile on her face. Her boundless support for the station was amazing. I know we will all miss her and her wonderful hugs.*

“ *Over the past 17 years I have gotten to know Mary Grace very well. I literally could not have asked for a better neighbor, friend and sometimes mentor! I will miss the lengthy mailbox chats, frequent random texts and much more. I have a lot of good memories and some funny stories I will never forget. She truly will be missed by so many people she touched over the years. My thoughts and prayers are with her family and friends.*

“ *Wow! A loving sister. One for the ages. So many great memories that will live on in my heart, one being the two of us looking out the window during a snowstorm and singing I'm Dreaming Of A White Thanksgiving. Then there is Dewey Beach and all those sweet memories. You did a great job on my book reports. Lastly, so many great meals and so many laughs. Day Day, Sis*

“ *As we leave this world we are judged solely by our legacy. What we have left behind to be remembered by. Mrs. Lynch left one heck of a legacy. Her children. Beth, Norman, Alan and Mary are 4 of the finest people I have ever met. From one heart, came 4 and these 4 people have some of the biggest hearts I've ever seen. Good job Mrs. Lynch, you did your job here on earth and we look forward to you greeting us all at heaven's gate.*

“ *I worked directly with Mary Grace for many years, at the Census Bureau. She always treated us with such love, compassion and a wealth of knowledge. She was everyone's "mom" who was younger than her. We had many lunches that were either working lunches, church lunches, or taking someone somewhere kind of lunches.....She always did for others. She will be missed.....a beautiful lady, with a beautiful smile, a warm heart, a funny and fun disposition and always a helping hand for anyone in need.*

“ I worked with Mary Grace at Census for many years. She was one of the sweetest and most generous person you could ever meet. Her smile was infectious. We did manage to have lunch a couple of times after I retired. I wish now we could have planned more. She was a wonderful woman and will be greatly missed.
