“ *I have many wonderful memories of At. Irma since I was a little girl. She was so much fun to be around and was beautiful on the inside and outside. My mother, Winifred Lee Martin, was her niece and also very close to "Irma." She passed on 2/6/16. I am sure there was a grand reunion in Heaven! Prayers to the family!*

“ I have known Mrs Parsons for 40 plus years and I have many fond memories of her.

We my brother Tom and Linda were planning their wedding Mrs Parsons would say don't worry about it I've got it to everything. She would jump right in and do anything for anyone even if she didn't know how to do i, she learned how to fast. I remember when her first grandchild was born she had the biggest smile on her face and a big tear rolling down her cheek. If you meet her once you had a friend for life. She was a very loving, caring, considerate, giving and etc. person. Gather all of the wonderful memories and hold them tight in your heart. She wouldn't want you to cry sad tears for her she wants you to cry happy tears. She's with the love of her life George.
