“ *Harry, we are so extremely sorry to hear about Mary. Emad and I just learned about this news today, and quite by accident. Emad called the office today, innocently asking to speak to Mary like he always does and was given the sad news. I don't know what I could say to offer my deepest condolences. Emad was so upset... she was such a loving person, always hugged me when she saw me, warmed our lives with her Christmas and Easter cards and her sweet laugh. I am honored to have known her because though we met under the guise of business a few years back, she became my friend. She will be sorely missed. I really loved her. Again, so sorry.*
