“ *Matt was my supervisor at the National Council on Aging until May of this year when my limit of four years were up. It was a delight to learn from him many of the things I needed to do in that role. He was open to discussions of purpose and meaning of our responsibilities there and was fully committed to helping improve the lives of those we served. He was supportive in times when I didn't measure up to my own standards and appreciative when I did. I don't know any of you in his family, but he spoke of you fondly and quite often. (You had a family wedding out here in Fauquier County he told me.) And he talked of his boat as a place of great refuge. The world of social work is poorer for his absence. My heart goes out to those of you who loved him. He was a special man. Jean Lowe*

“ *Kevin, My thoughts and prayers are with you and your family on the loss of your brother Matthew. I only met him on couple occasions, but he seemed to be a great person and he definitely loved being on the river and at Goose Bay.. The first time I met him he made a point to tell me that he was your brother.*

“ Please add my sincere and heart felt condolences to Matthew's extended family from a close friend and fellow retiree brother of Kevin! Through those years I served with Kevin I had the good fortune to meet some of his family and I keenly noted that the apples of the McCloy family Great Oak Tree, that was his parents, fell very, very close to the trunk.

I regret that I reside so far away I cannot stand there in support in this ordeal of grieving, but my thoughts and prayers are being sent.

The hurt of losing a mate, father, brother, family member and friend will be sharp and painful, hurting those closest the greatest. Time will dull the pain and loss and memories of jokes, tricks, kindnesses, shared events and shared loved will live on inside you. He will be with you always through those many memories.

None of us truly know what is beyond the grave, but I do believe we will see our lost loved ones again on that side.

Again my sincere and heartfelt condolences to you as you grieve Kevin's passing!

“ *Matt was our next door neighbor at Goose Base's floating dock for 7+ years. My wife Karen and I would often look for his truck in the lot anticipating seeing him on his boat. Many sunny Saturday morning's he'd be relaxing on his SeaRay, sipping a cup of coffee and welcoming us to a wonderful new day at Goose Bay. He loved the water, boating, and fun in the sun fellowship...Karen and I are saddened to lose him. His boat was pulled from Slip E17 for the last time this past Monday. End of an era for the "Welcome Matt". RIP my friend. Jim Langdon E19.*
