“ *I remember the first week of high school freshman year Megan invited me to Kings Dominion with her family. I thought it was so cool to just meet someone and become fast friends. We had a blast. We lost touch but we had some of the best times together! I am keeping her family in my prayers. Rest In Paradise*

“ *I still remember the first day I attended Piccowaxen Middle School. It was in the middle of the year, I was the scared new kid and Megan took me in. I still remember her big smile and kind heart. That was the first day of many memories to come. You will be truly be missed forever and always! Love You Megan.*
