“ *Meghan I miss you so much it hurts so bad physically and mentally. We shared so many memories I'll never forget. I wish this wasn't true and we could go back to our young days in Waldorf. I always thought we'd have a reunion of us 4 at Brownie Beach..... But until we are all on the other side together again this morning I'll never forget. I love you til the day I die. You were my ride or die the one on who pushed me to do things I didn't want but am so grateful I did cause those memories have always meant the world to me. I love you! Finally rest easy..... Watch over us. U r severely missed and never forgotten.*

“ *I'm so sorry for your loss. Even though I knew your mom only when she was a child. Her dad Dicky was my brother. This is your mom's uncle Mike Lewko of Nokesville Virginia. May she be in God's loving arms with her father. Dicky as my wife Sue died way too soon as your mom did. Feel free to call me. My number is (540) 538-6542.*
