“ Sending my thoughts and prayers to the Bowie/Hein families. Although it has been many, many years since Missy and last spoke, she has always held a special place in my heart. She was truly an angel on earth with the kindest heart and deepest compassion for her family, friends and all walks of life. She was a cherished friend to me when we were kids and it was always comforting to know she was "there" even if miles of distance separated us. I will truly miss her but I am sure they are celebrating her arrival in Heaven where she will continue her legacy as an angel. Sending much love and prayers for peach and comfort to all.
