“ *To my brother.  
I could travel to RI or he to CT. We would sense the others  
presence and without fail connect... in the days without cell phones.  
However, we did use CB's back then. But that's another story.*

*Peace to you my friend & brother. YITBOS JB*

“ Mike was my very first Supervisor in the Air Force. He welcomed a young, wet behind the ears Airman to Team Minot. I worked for Mike in the Mechanical Shop for approximately three years. He was the Non Commissioned Officer in charge and was a great leader but Mike was an even better person. He cared about his people. I remember one afternoon Mike and some of the other supervisors bought a few cases of beer and met us at the horse shoe pit next to the Vehicle and Equipment Barn. We played horse shoes and got to have a few beverages with the bosses. Mike made me feel wanted from day one. RIP Mike. You will be missed
