“ I have very fond and blessed memories of Mike, Ellie and Debbie coming to Florida every year. Mike would make Debbie laugh so hard...he'd make all of us laugh hysterically. I loved his little banter and jabbing Ellie and her coming back with a quick witted response... I love these people and they almost seemed at times like second parents to me. Mike would always reach out to let me know that he, Ellie and Debbie would be coming down, and we'd all plan our restaurant rounds. No matter how I felt and what I was going through, the kindness and love shown to me by Mike, Ellie and Debbie left me feeling warm and cared for. The last time I saw him in January of 2018 he was in a wheelchair due to a stroke- but he was still cuttin it up. I will miss Mike dearly and pray that his family receives supernatural comfort and the peace that passes all understanding at this very difficult and heart breaking time. I'm truly heart broken :(

“ *Michael & Ellie, my family sends their sincere sympathy. The memories of the times Jim and I spent at you home in White Plains are ones we will remember forever. If you need anything please feel free to give me a call. Michael and Jim grew up together in the Dreos Family home, beautiful memories that these two guys shared with their kids. Please take care and know Ellie you and your family are dearly loved. Please give Debbie a special hug from me.*
Sincerely
